

DFS Afghanistan Air Support Programme Camp Bastion, Jalalabad, Kabul

Dubai, UAE

IDFS Afghanistan Air Support Programme introduces a new scheduled service to connect with existing international passenger services linking Kandahar and Bagram with Dubai, UAE.

DFS Middle East will operate a regional aircraft to destinations including Kabul, Jalalabad and Camp Bastion with effect from 31st July 2009. The turbo-prop Beechcraft 1900D offers 18 seats and luggage capacity with a full-height cabin offering maximum passenger comfort. The aircraft is also available for charter and can operate into most major airfields and Forward Operating Bases.

For more information about this service either email info@dfsmiddleeast.com or contact Rob Smith directly by e-mail rob.smith@dfsmiddleeast.com, or via cell UAE +971 (0) 50 708 3942 / Afghanistan +93 (0)708 719 890.
