

DFS Middle East opens new office in Kandahar, Afghanistan

Dubai, UAE

DFS Middle East announces the opening of its new cargo and logistics office in Kandahar, Afghanistan to support a rapidly expanding customer base.

Kandahar is a rapidly growing area for development and reconstruction, and an area that we have had our eye on for some time," says Daimen Van Blerk, General Manager of DFS Middle East. It is an ideal fit for our organization, and goes hand in hand with our expertise in procurement and project logistics for customers operating in remote locations, such as Kandahar.

DFS Middle East operates in remote locations under difficult circumstances, and has acquired extensive experience in providing innovative solutions to clients facing a wide variety of transportation challenges.
